### Study Continued

9. Verses 4-6 give a warning to the wicked. Who are the wicked? (Note that most modern translations translate this as the “ungodly”, or “sinners.”) What is the warning?

10. Most of us would not consider ourselves as, “wicked.” But how does the warning, still apply to us?

10. From verse 6, what is the promise of God to those who serve Him faithfully? Try to explain how this happens on a daily basis.

### A WARNING TO THOSE NOT LIVING FOR THE LORD v.4-6

1. When you think about being blessed by God, what comes to mind?

2. Read Psalm 1. From reading the psalm as a whole, what strikes you as being of most importance if we are going to be blessed by God?

3. Evaluate each of the Walk, Stand, Sit statements from Psalm 1. What do they mean, and what is the pressure, and tendency, to live this way, rather than seeking the Lord?

4. Read the New testament statements for Walk, Stand, Sit (see opposite). How do they compare to the statements from Psalm 1?

5. What does it mean for us to "delight in the law of the Lord"?

6. How do we meditate on the Word of God, 'day and night'? What is the goal of meditating on the Word of God?  
Read also Deuteronomy 6:6-9 & Philippians 4:8-9

7. Read verse 3. What does it say about the 'blessed' life. What does each statement mean with regards to our life?

8. Read John 4:13-14. What does Jesus mean in this statement to the woman at the well? How is it similar to Psalm 1:3?
