“Well, Son, it says in the beginning of my Bible that God was in charge when time started up. Then I flips over to the end of my Bible and reads that God will be in charge when time runs down. So I figure that twixt the beginning and twixt the end weren't nobody else big enough to whoop 'em.”

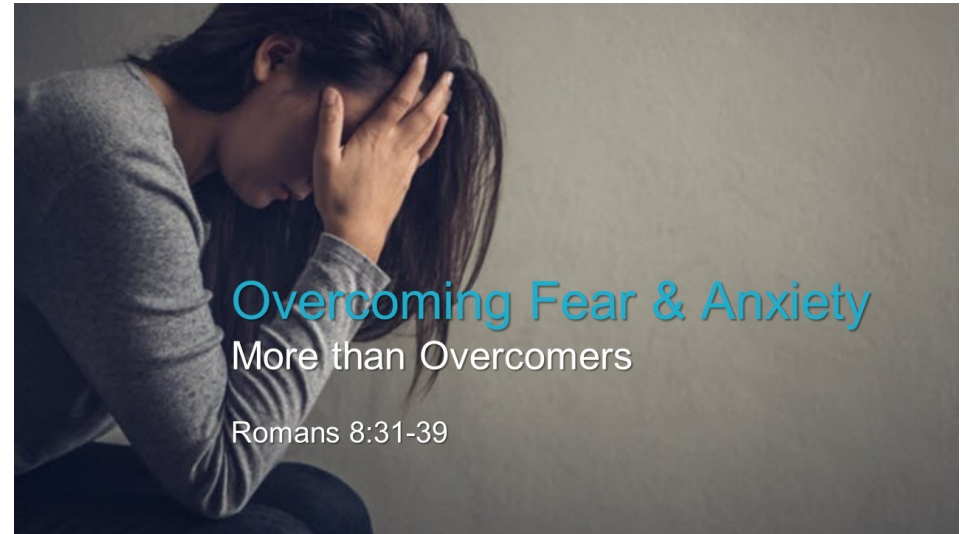

“Every voice is silenced. Every accusation is hushed. Our standing in Christ is complete, and our justification unchangeable.”

“We need to be constantly reminded that suffering is not an unexpected novelty for God's people, but that In Christ, such sufferings become stepping stones to faith, growth, reward, to glory.”
