Small group thoughts/ideas

Read Luke 23:32-43

- 1. What strikes you the most about this passage?*
- 2. James mentioned Mandela and Victor Frankl as examples of focusing beyond our circumstances.*

What are some of the circumstances that trip me up and change my focus from being on things

above? What could I do to help change this pattern in that moment?

3. If I had to explain salvation to someone 'unchurched' – what would I say?

4. Read Romans 15:13. How is joy, peace and hope being evidenced in my life? How do I practically

focus on the things above, so I see more of them in my life?

5. Read Acts 2:42 – could the four things listed here help my focus? How?
