

## What is Happening at Enhlanhleni CarePoint

Hello Friends,

Praise be to God! We give thanks to the Lord who makes it possible for us to continue meeting at the Enhlanhleni CarePoint. The beginning of the new year has allowed us to serve our community and the kids with love and care.

Children receiving their meals

The Lord has blessed us with a new shepherd at the CarePoint. His name is Alex Dlamini, and he grew up in the Enhlanhleni community. It is so special for us to see these kids learn and grow to be leaders. Alex holds to his values, he loves the kids well, he respects others, and he shows perseverance even during challenging times. He wants to instill these same values in the kids at the CarePoint so that they can have an empowered community full of joy. We're so proud of Alex and his choice to invest in making our Enhlanhleni community better. Please pray for Alex and his leadership that he would be strengthened by God's power to lead our kids well.

Our new Shepherd, Alex

The community blessed us early in the year. A few individuals chose to serve us by clearing the CarePoint's ground so that it would be a safe place for the kids to run and play. This simple act demonstrated that the community is committed to working with the CarePoint to accomplish the goal of strengthening the Enhlanhleni community's future.

One community member cleaning the CarePoint

We give our most sincere thanks to you, our friends, for graciously assisting with the kids' school fees. Words cannot express how much we appreciate you. Thank you for choosing to invest in the lives of our children so that they can continue with their education. You are allowing the kids to thrive and be encouraged to put more effort into their studies.

One student who had her school fees paid is Yenzokuhle Ngcamphalala. She is full of gratitude and says, "I would like to thank Adventures in Missions and its supporters for assisting with my school fees. I really appreciate your

support. Without your generosity, I would not be able to continue with my education. Now, I will do my best in my studies. Thank you again for your support, and may the Lord bless you." Thank you, friends, for investing in the futures of our children.

Yenzokuhle Ngcamphalala

God has certainly been good to us these past few months, and we are confident that He will continue to sustain our community. Please continue praying for the children, and thank you for linking arms with us as we continue our ministry.

Sincerely,  
Your Friends at Enhlanhleni CarePoint
