### CONFIDENCE IN CHRIST'S CONTINUING WORK IN ME (v.12-14)

Philippians 1:6

One thing I do:

The prize:

1. Read Philippians 3:1-3 In the days of Paul there were those who would tell non jewish people that if they wanted to follow Christ then they must also follow the laws of Moses (Old Testament laws). Paul warns us not to fall into the trap of trying to be good enough to be saved. Why is this so important? Also read Ephesians 2:8-9.

2. Read Philippians 3:4-6. These are Paul's religious 'qualifications.' What kind of things would people say today that make them think that they are good people deserving of heaven?

3. Read Philippians 3:7-8. How does Paul see his 'qualifications' now? Why do you think he seems them so negatively? What is the danger in these things?

4. Define righteousness.

5. Read Philippians 3:9. What does Paul mean when he says, "the righteousness that comes from God and is by faith?" Also read 2 Corinthians 5:21.

6. Read Philippians 3:10-11. From the notes opposite (Including the extra verses for each one). Identify the 4 aspects of what Paul says he wants to "know," and apply them to what they mean to you and your life.

7. Read Philippians 3:12-14. What does it mean to take hold of that for which Christ Jesus took hold of me? (v.12)

8. What is the "one thing" that Paul does? Explain it as it relates to you.
