

Mission meeting minutes – April 1, 2019.

Present Bob, Herman, Marianne, Ken & Ken

Bonnie asked for prayer for her friend Sylvia, who has had serious health issues

Gabby: India mission trip. Gabby was at Emmanuel last Sunday and spoke to Herman. She was very excited about the trip that happened and offered to share with the church.

Food Bank: Linda Downey from Wellington Pentecostal Church asked if Emmanuel can take over the Wellington food bank she leads/founded and passionately serves. There is about \$200k per year of food served. The board expressed they would consider it if it was a ministry in addition to the food service. The food bank also passes out flowers left over from funerals to seniors. Also some used furniture.

Gilead Christmas dinner. Larry Snider is doing the service one last year and asked Emmanuel if they would take it over. The board is thinking not taking this on at this time

New Life Girls Home. Property is up for sale. Group feeling the current location is too isolated, some thought to move closer to Loyalist college to help the girls get established with some training as well.
