

What is Happening at Enhlanhleni CarePoint

Hello Friends,

We are reflecting on the past few months as the seasons begin to change here in Eswatini, and we would like to share an update with you.

Kids continue to come daily to the CarePoint, and the cooks serve the children their meals. The kids have been on break from school, so we have enjoyed having a great number of kids attending. It has been a joy to watch the children run and play and have fun with their friends.

Kids playing at the CarePoint

The community is doing well, and we can feel a peace and closeness among community members. One of the community members offered to clean the CarePoint grounds. This individual will also come by with firewood, and she will stay to encourage the cooks. We are humbled and grateful for the blessing of our community.

Our Shepherd has been leading the children in discipleship lessons. The most recent unit of lessons included My Relationship with God, I Am Loved by God, Living a Holy Life, Growing Spiritually, and Living a God-Fearing Life. These lessons are important because they teach the kids more about who God is and their identity in Him. The Shepherd is encouraged by the spiritual growth of the children. Some of the children are showing great interest in the discipleship lessons, and they are asking her to teach them more.

The CarePoint was able to do a home visit for one of the CarePoint kids. This specific child at the homestead is very loving towards the other children at the CarePoint, and the staff notices her kind spirit. The child's homestead has four kids in the family. The visit went well, and the family was grateful to receive encouragement. Our staff was able to bless the family while getting to know them better.

The home visit

Lastly, we had the opportunity to participate in a soccer tournament organized for the different CarePoints throughout Eswatini. It was a joy to have so many of the children from different CarePoints gathered to play and have fun. Most importantly, a presentation of the good news of Jesus was made before the games began. The majority of children came to know Jesus as their Savior. Praise God for His saving grace.

We are very thankful for the way God is working at Enhlanhleni CarePoint, and we say thank you for supporting the good work taking place in our community.

Sincerely,

Your Friends at Enhlanhleni CarePoint
