

Emmanuel's Prayer List for January 2021

2 Chronicles 7:14

If my people, which are called by my name, shall humble themselves, pray and seek my face and turn from their wicked ways, then I will hear from heaven, and will heal their land.

Let's Pray:

- Personal revival; (Pray this prayer in quiet preparation) "Lord search my heart and reveal the area which has grown cold and hardened towards You. Please forgive me for being so complacent and comfortable. I completely surrender to You and allow You to rule in my life so others may be drawn to You."
- Revival in our church; for spiritual growth, service to others, and complete individual commitment to the Lord; then revival in our community and in Canada.
- For those we know and many we do not know Jesus as their Saviour, will be touched by this revival, and will come into God's Kingdom.

As we see Revival, we will give God Almighty the Glory as His Spirit works in hearts across our land.
