6. Read again John 12:3. This perfume was worth 300 denarii. One denarii was the wage a man would receive for a days work. What are some of the things that we learn from Mary's actions here?

Do you think she considered the value of the perfume when she went to get it?

What do you think was her response to those who criticized her actions?

How does this look like in our lives, our possessions, our love of God etc.?
(Also read Matthew 25:35-40)

7. Read Luke 9:23. What does this verse mean? (See your notes also).
How does it relate to the questions asked in question 6?
